**2 FIRST-CLASS
TICKETS**

BE A "PERFECT" TEAM CAPTAIN

Start a team in a Carry The Load event and recruit 10 team members. When each of the 10 team members raises \$200 or more*, you will be a "Perfect" Team Captain, and your name will be entered into a drawing to win 2 first-class tickets for domestic travel from our partner American Airlines. Two of these prizes are being given, so you have two opportunities to win.

Each qualifying team's total amount raised should be \$2000 or more, and the team will have at least 11 total members including the captain. The drawing will be held after Memorial Day, 2015. Winners will be contacted and the announcement will also be made via social media channels.

*Donations that are made to the team as a whole cannot be distributed to individual team members.
